Sustainable Fashion is not a Trend but the Future...

FASHION SHOULDN'T COST THE EARTH

INTRODUCTION

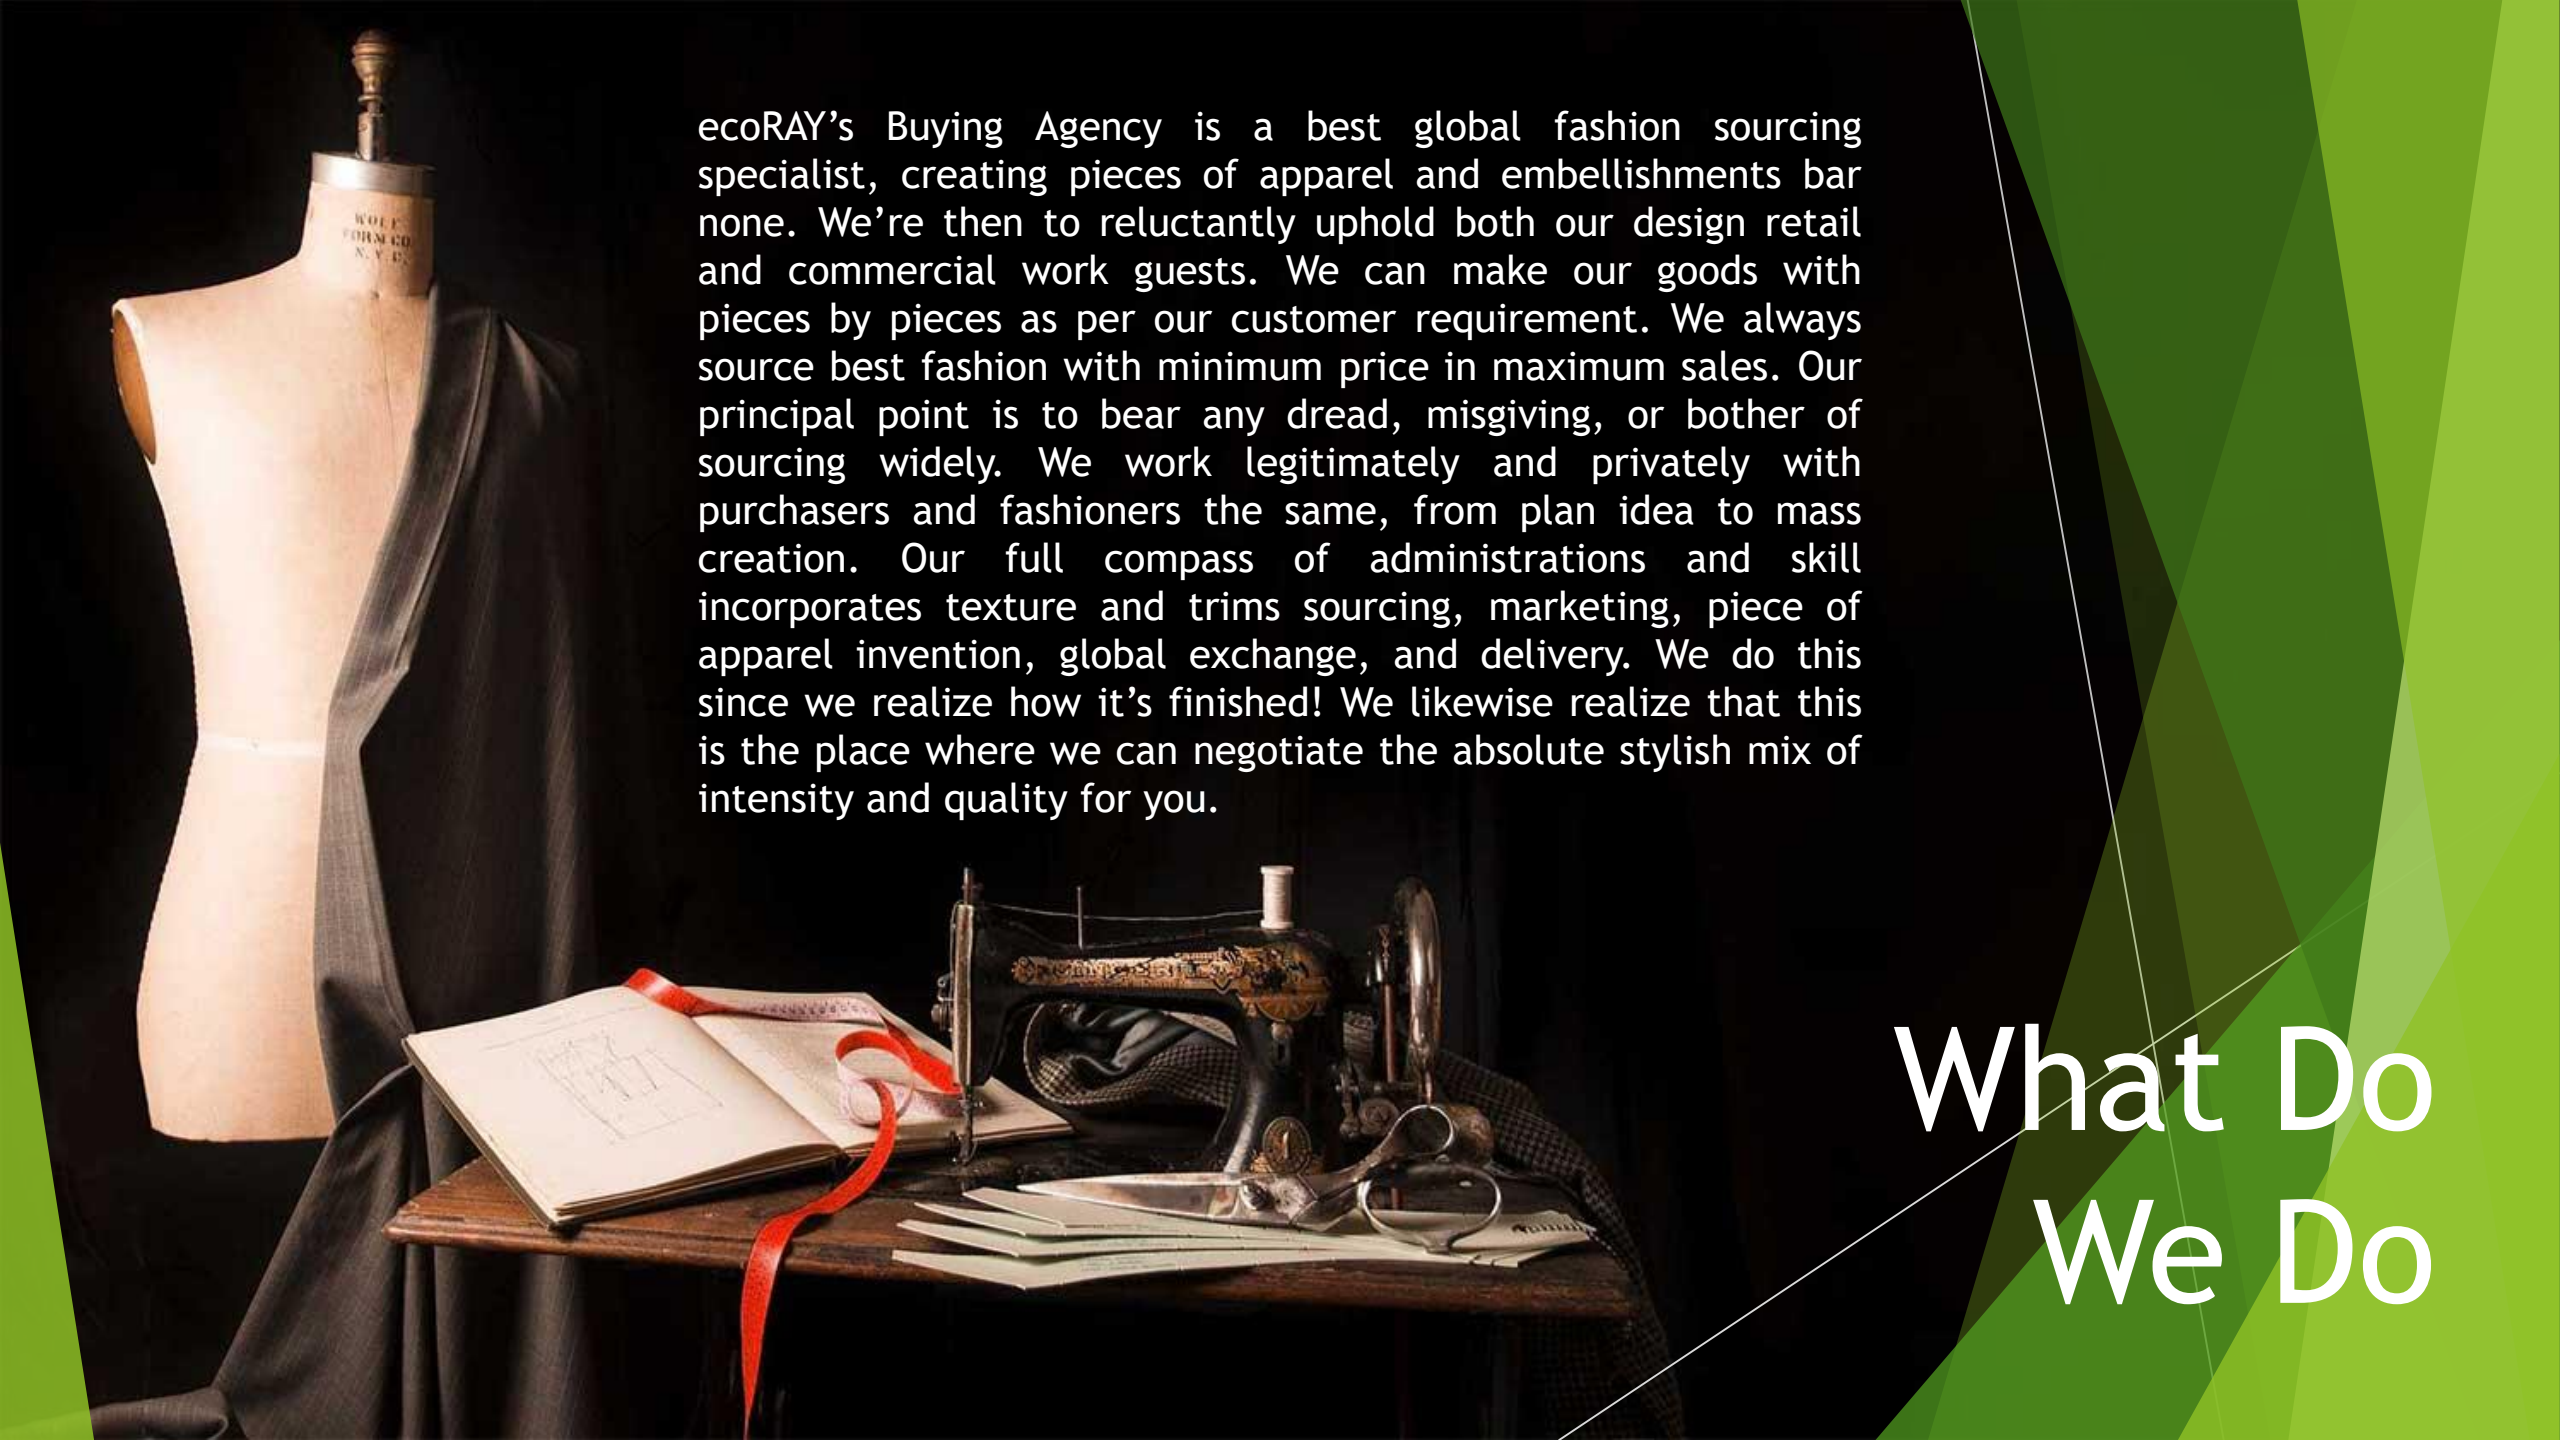

ecoRAY group has started its operation in the year 2017 in Dhaka, Bangladesh. In the short span of time, the group has proven its foot print in the various sector in the Business.

ecoRAY Sourcing is work globally with Buyers from EU, UK, USA, Canada & Australia as a 100% export oriented garment buying agent. Throughout the years we have become a one stop sourcing solution of ready made garments and an excellent, reliable service provider in Bangladesh. We believe that the ultimate test of success lies in attaining Customer's satisfaction through Sustainability, Reliability and Respect on commitment.

Sustainable Fashion is not a Trend but the Future...

FASHION SHOULDN'T COST THE EARTH

ecoRAY's Buying Agency is a best global fashion sourcing specialist, creating pieces of apparel and embellishments bar none. We're then to reluctantly uphold both our design retail and commercial work guests. We can make our goods with pieces by pieces as per our customer requirement. We always source best fashion with minimum price in maximum sales. Our principal point is to bear any dread, misgiving, or bother of sourcing widely. We work legitimately and privately with purchasers and fashioners the same, from plan idea to mass creation. Our full compass of administrations and skill incorporates texture and trims sourcing, marketing, piece of apparel invention, global exchange, and delivery. We do this since we realize how it's finished! We likewise realize that this is the place where we can negotiate the absolute stylish mix of intensity and quality for you.

What Do
We Do

Mr. ZULFIKER Ahmed is an Industry Maven with a Career Spanning 20 Years. He is the Director & the Driving Force behind ecoRAY group's apparel & home textile business. Born as a Bangladeshi, he has earned his reputation as a Dynamic & Problem Solving Skill Person in the RMG Industry. His Career began with RMG industry in the year 2003 with a desire to make his mark in the industry. During his career, he is credited for implementing many out of the box strategies & techniques to source the best fabric & have it produced at the best possible production units at competitive prices. With his vast knowledge in Textile & RMG, he became a SMART Apparel Consultant and set up his own business as a Buying Agent. Through the patronage of the many foreign buyers, his reputation gained further recognition. Constantly in the pursuit of finding the most innovative ways to best serve his buyers interests. Mr. Zulfiker, He lives by his mantra "Success does not come to you, You go to it".

Director

We feel extremely proud and lucky for gaining a good habit of producing highest quality products. Our collections are proof of our quality. With time, we have gained the experience of producing exclusive fashion cloths that most of the companies cannot do. Most of the companies around these days are afraid to produce exclusive fashion cloths, but fortunately, we love to do only exclusive fashion cloths with highest quality. We are assuring our buyers to the highest quality and we will continue to do so forever.

WHY ecoRAY

What we offer:

Versatility is one of our core strengths. We provide a wide range of production method & fabrics, including: circular knit, flat knit, light knit, heavy knit as well as woven and home textiles.

MISSION

Our Mission is satisfying Clients with superior quality and value & come an innovative association and favored buyer. We feel that the requirements of all the products we can promote, in every implicit form. Our employees work daily to find newer, better ways to satisfy the clients.

VISION

Our sweats for invention and excellence enable us to earn great plaudit in a largely competitive transnational request. Our vision is “To give quality garments and timely delivery to achieve client’s complete satisfaction”.

**MISSION &
VISION**

Our Strengths

Our Partner factories are well versed in executing orders of renowned importers/customers from all over the world.

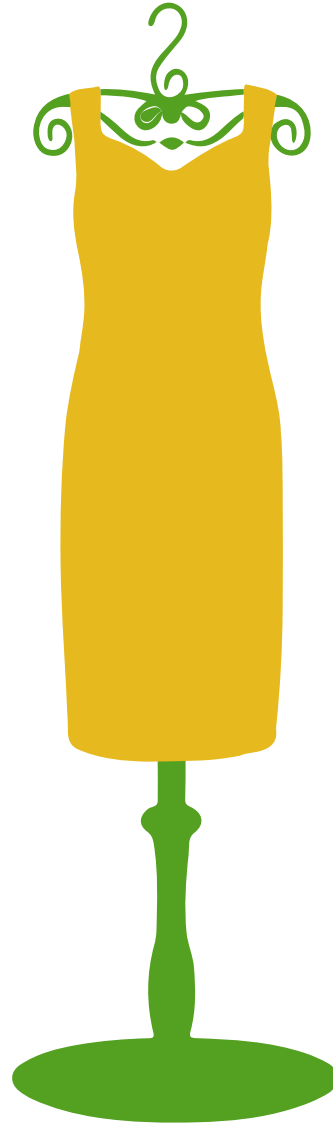

We guarantee delivery of wide range of Apparel products within extremely reasonable time frame while strictly maintaining its quality requirements and specifications. Our Team of highly skilled Merchandisers and Quality controllers are committed to ensure maximum Client's satisfaction.

The factories are fully compliant with Accord/ Alliance, ISO9001, WRAP, BSCI, Sedex, OCS , GOTS, GRS, Oeko Tex and LEED Certificates.

SOCIAL & GLOBAL RESPONSIBILITY

In ecoRAY, we strongly believe in protection of **workers rights** as one of our main Code of Conducts policies. We expect the same approach from our suppliers & business partners. We strongly believe that our employees and everyone associated with us deserve the **best possible work environment** and acting towards that is always among our priorities. We are **against child labour**.

We understand the global, social, biological, natural, ecological, responsibilities bestowed upon us, and we care about sustainable development with commitment to shaping the world for a better tomorrow. We believe it is imperative to take initiatives that will help contribute in areas of plantation, education, training, health and safety, social welfare, collaborating with our global partners. We are very transparent with sustainable traceability, recycled materials and reduce waste.

Our Uniqueness

Bulk Manufacturer

Our team members exert great effort into designing and manufacturing best products. These products are bound to win the hearts of our buyers. We have a quality control and design team. They are dedicated in ensuring top quality garment and more. We check every day randomly from bulk and tested our laboratory. Our Merchandising team supervise the goods randomly in factory always to make sure the best product or full feel our customer required.

Fabric Quality & Durability

We are on a mission to offer our clients best fabrics to make products that consumers can trust. We combine on-the-ground experts for quality inspections, supplier audits, certification, and lab testing our in house laboratory, with a digital platform that brings accuracy, visibility and intelligence for quality and compliance data. Our committed employees are make decisions everyday by our core values as per customer required or best standard.

Quality Guaranteed

We give you our quality Guarantee. Today's educated consumer is focused on finding fashion with the best balance of style, quality, and price, manufactured under the highest possible ethical standards. Increased consumer awareness is making apparel quality control more important than ever. At ecoRAY, we offer quality control and assurance services for every stage of your apparel supply chain - from source to shelf. ecoRAY has over strong off-the-shelf customizable product-specific inspection checklists. Our expertise in soft line testing will help your brand ensure the safety and quality of your apparel. We guarantee of our quality asper customer AQL label.

Product Development

We have strong design department and our product developers ensure the profitability and quality of mass produced fashion items. This means you oversee the decisions where design intersects with marketing. process is a team effort by a number of people involved in an apparel organization to choose best product. Also our team develop product as per our customer required design. We follow current color chart in season wise best effort for our customer.

Social Responsibility

Social responsibility that we contributed effort must act in a manner benefiting society, not just the bottom line. Social responsibility has become increasingly important to investors and consumers who seek investments that not only are profitable but also contribute to the welfare of society and the environment. While critics have traditionally argued that the basic nature of business does not consider society as a stakeholder, younger generations are embracing social responsibility and driving change. We contribute in education, medical and homeless people. Our Company strictly follow Detox for Zero hazard for country human life. This is our responsibility to save our environment.

Delivery

Our main focus to deliver all goods in on time as per committed delivery date. Till now we have 97% succeed the delivered goods as committed delivery date. Our product team always work on maximum product with their best effort. We work from the line layout with less workflow with maximum output. We have strong planning team to work from the bottom line. We always pay focus on TNA date.
